

Band Backer Legacy Supporter Program:

As someone who believes that a quality music program is something we need to preserve and continue to strengthen, I thought what better community to reach out to than our Southington citizens and their families! You know firsthand what Southington's music program has done for our town. You know how lucky we are to have such a dedicated group of Music Educators in our town. You know that the organizations purpose is to strengthen and support the music program in our schools. Your children may have moved on to bigger things and it's important to remember how they got there. With that spirit in mind, we have a new opportunity for our town to continue to support and strengthen the Southington Music program for years to come. With an annual donation to the Southington Band Backers, you will be listed as a Band Backer Legacy Supporter in the Music of the Knight

- **DO YOU ENJOY MUSIC?**
- **ARE YOU A PAST MEMBER OF THE BAND OR COLOR GUARD?**
- **DO YOU WANT TO LEAVE A LEGACY?**

Program Guide and receive 2 MOTK tickets as our thank you. You may choose from three Support levels. Bronze Level \$100, Silver Level \$200, and Gold Level

\$300. You know how important these programs are; please consider being a part of the sound for as long as you can. For more information or to pledge your support please contact Erik Semmel at esemmel@cox.net. Your charitable pledge of support will be billed to you automatically in July just before the marching band season begins.

_____ Yes, I would like join the Band Backer Legacy Program
